

[Paul Atkins Ejizokinya Pdf 21](#)

A screenshot of the GridinSoft Anti-Malware software interface. The top navigation bar is blue and contains icons for Scan, Protect, Update, Tools (highlighted), Settings, and Help. The main content area is titled "Reset browser settings" and is divided into three columns of checkboxes. The first column, "Browsers", includes Internet Explorer (unchecked), Chrome (checked), Firefox (checked), and Opera (checked). The second column, "Process", includes Shortcuts (checked), Start page (checked), Search engines (checked), Addons (checked), Cookies (unchecked), History (unchecked), and Cache (unchecked). The third column, "Reset (restore to its defaults)", includes HOSTS file (unchecked), Internet Explorer proxy settings (unchecked), and DNS cache (checked). A yellow warning box at the bottom left states: "This operation will close all instances of selected browsers. Any unsaved changes will be lost. Please save all work in progress before you continue." Below the warning box are "Reset" and "Close" buttons. On the right side, there is a light blue sidebar with a warning message: "We advise you to use 'Reset Browser Settings' tool if you experience any problems with your browser such as: browser redirects; unwanted pop-up ads; blocks with advertising; search provider or start page, which were installed without your consent." At the bottom right of the sidebar are social media icons for Facebook, Google+, Twitter, and LinkedIn.
